## Sacramental Preparation Guidelines and Registration

*Dear Parents,*

*As you begin the wonderful work of educating your child in the faith, know that our prayers are with you. You should be aware that the primary responsibility for the religious education of children is with the parents (VC II, Gaudium Et Spes n. 48). The Church is happy to assist you in this essential duty, but it cannot replace your principal responsibilities in this regard.*

*Please note, it is not possible for your child to be adequately prepared for reception of the sacraments unless they are **attending Mass regularly**. According to the Catechism of the Catholic Church, the Eucharist is “the source and summit of the Christian life,” (CCC1324) and all of the other sacraments are “bound up with the Eucharist and are oriented toward it (CCC1324).” Therefore, if you are enrolling your child in our sacramental preparation programs, **IT IS ESSENTIAL THAT YOU AND YOUR CHILD ATTEND MASS EACH SUNDAY AND HOLY DAY OF OBLIGATION.***

*Your example, above all examples, is what ultimately teaches your children. When you attend Mass regularly, you tell your children that it is important and necessary for your faith and, in turn, for their faith. In order for your children to live the sacrament they receive, they must see you living the sacraments you have received. Toward this end, your regular attendance at Mass here at SEAS is **REQUIRED** if you wish to have your child receive their sacraments at this parish. **Regular attendance will be verified by your use of offertory envelopes at each Mass.***

**In order to enroll a student in the St. Elizabeth Ann Seton Sacramental Preparation Program, the parent(s) of the student(s) must have been registered members of St. Elizabeth Ann Seton Parish for at least six (6) months prior to enrollment.**

The preparation programs for the Sacraments of First Reconciliation, First Communion and Confirmation are two-year programs. Students must have completed religious education during the 2021 - 2022 school year to enroll in the second sacramental instructional year. If a student completed religious education for the first sacramental preparation year in a different parish, a letter from that parish must be provided to the DRE. The first year may be completed through a church catechesis program (religious education program), a pre-approved home schooling program, or a Catholic school.

**Please note, Sacramental Preparation is not available in the Home-Study Program. If you are enrolling your child in our Sacramental Preparation programs, you must enroll in the Sunday morning program.**
